Dear Andrew,

Petition of Andrew Crisp: Tiny/mobile dwellings as a permanent, healthy, affordable & dignified residence.

Your petition was presented to the House of Representatives on 6 March 2020 and referred to the Transport and Infrastructure Committee for consideration. It requests:

That the House of Representatives pass legislation to recognise tiny/mobile dwellings as personal property (chattel dwellings); adopt a low-cost building standard & compliance framework; legitimise tiny/mobile dwellings as an affordable, safe, healthy, durable & permanent accommodation option; & secure enduring tenure for residents..

To assist with our consideration of your petition, the committee invites you to make a written submission elaborating on the matters raised in your petition.

Please note that your written submission will become public and will be published on the Parliament website when released by the committee, or when the committee makes its report to the House. Please send your written submission by **2.00pm Monday, 4 May 2020**.

You may apply for any or all of your evidence to be treated as private or secret. Committee normally require reasons before agreeing to such requests.

If you have any questions about this letter, or if you wish to make an application for your evidence to be treated as private or secret, please contact the Clerk of Committee by e-mail at TI@parliament.govt.nz.

Yours sincerely

Darroch Ball
Chairperson
Transport and Infrastructure Committee
